

Summary of Benefits and Coverage: What this Plan Covers & What You

ion Pay For Covered Services

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. Note: Information about the cost of the plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit https://members.bcidaho.com/my-account/my-account-my-contract.page. For general definitions of common terms, such as allowed amount, balance billing,

coinsurance, copayment, deductible, provider, or other <u>underlined</u> terms see the Glossary. You can view the Glossary as <u>www.healthcare.gov/sbc-glossary</u> or call 1-800-627-1188 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	\$250 person/\$500 family	Generally, you must pay all of the costs from <u>provider</u> s up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. Pharmacy, hospice care, <u>copays</u> or listed <u>In-network</u> immunizations and <u>Preventive care</u> are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without cost-sharing and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .
Are there other <u>deductibles</u> for specific services ?	No. There are no other specific <u>deductibles</u> .	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	Yes. For <u>In-network provider</u> <b>\$2,500</b> person/ <b>\$5,000</b> family. For <u>Out-of-network</u> <u>provider</u> <b>\$5,000</b> person. For <u>prescription drugs</u> <b>\$3,600</b> person/ <b>\$7,200</b> family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance-billing charges and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See <u>www.bcidaho.com</u> or call 1-800-627-1188 for a list of <u>network</u> providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an <u>Out-of-network provider</u> , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an <u>Out-of-network provider</u> for some services (such as lab work). Check with your provider before you get services.
Do you need a <u>referral</u> to see a <u>Specialist</u> ?	No.	You can see the <u>Specialist</u> you choose without a <u>referral</u> .

All <u>copayments</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
