

Voluntary Long Term Disability (LTD) Insurance

Long Term Disability insurance is designed to pay a monthly benefit to you in the event you cannot work because of a covered illness or injury. This benefit replaces a portion of your income, thus helping you to meet your financial commitments in a time of need. Buy-up LTD insurance offers you the opportunity to choose one of two levels of LTD coverage.

The base LTD plan is fully paid by City of Boise and provides a basic level of LTD coverage. The buy-up option is paid by you and provides a higher level of LTD coverage. If the policy becomes effective and you do not elect the buy-up option, you will automatically be enrolled in the base LTD plan. Standard Insurance Company (The Standard) has developed this document to provide you with information about the optional coverage you may select through City of Boise.

Employee Coverage Effective Date

To become insured, you must satisfy the eligibility requirements listed above, serve an eligibility waiting period*, receive medical underwriting approval (if applicable), and be actively at work (able to perform all normal duties of your job) on the day before the scheduled effective date of insurance. If you are not actively at work on the day before the scheduled effective date of insurance, your insurance will not become effective until the day after you complete one full day of active work as an eligible employee.

Please contact your human resources representative for more information regarding the requirements that must be satisfied for your insurance to become effective.

*You are eligible on the date you become a member.

Understanding Your Plan Design

Benefit Waiting Period If your claim for LTD benefits is approved by The Standard, benefits become payable after the benefit waiting period. This is a specified number of days during which you must remain continuously disabled. Benefits are not payable during the benefit waiting period. The benefit waiting period for each plan is indicated below.

	<u>Base LTD Plan</u>	<u>Buy-up LTD Plan Option 1</u>	<u>Buy-up LTD Plan Option 2</u>
Benefit Waiting Period	90 days*	90 days*	90 days*

*The Benefit Waiting Period will be the later of 90 days and the length of time for which the member receives accumulated sick leave.

Own Occupation Definition of Disability For the benefit waiting period and the first 24 months for which LTD benefits are paid, you are considered disabled when you are unable as a result of physical disease, injury, pregnancy or mental disorder to perform with reasonable continuity the material duties of your own occupation **AND** are suffering a loss of at least 20 percent of your indexed predisability earnings when working in your own occupation. You are not disabled merely because your right to perform your own occupation is restricted, including a restriction or loss of license.

Any Occupation Definition of Disability After the own occupation period of disability, you will be considered disabled if you are unable as a result of physical disease, injury, pregnancy or mental disorder to perform with reasonable continuity the material duties of any occupation.

Understanding Your Plan Design (Continued)

Maximum Benefit Period If you become disabled before age 62, LTD benefits may continue during disability until age 65 or to the Social Security Normal Retirement Age (SSNRA) or 3 years 6 months, whichever is longer. If you become disabled at age 62 or older, the benefit duration is determined by the age when disability begins:

<u>Age</u>	<u>Maximum Benefit Period</u>
62	To SSNRA, or 3 years 6 months, whichever is longer
63	To SSNRA, or 3 years, whichever is longer
64	To SSNRA, or 2 years 6 months, whichever is longer
65	2 years
66	1 year 9 months
67	1 year 6 months
68	1 year 3 months
69+	1 year

Deductible Income Deductible income is income you receive or are eligible to receive while LTD benefits are payable. Deductible income includes, but is not limited to:

- Sick pay, annual or personal leave pay, severance pay or other forms of salary continuation (including donated amounts) paid.
- Benefits under any workers' compensation law or similar law
- Amounts under unemployment compensation law
- Social Security disability or retirement benefits, including benefits for your spouse and children
- Disability benefits from any other group insurance
- Disability or retirement benefits under your employer's retirement plan
- Benefits under any state disability income benefit law or similar law
- Earnings or compensation included in predisability earnings which you receive or are eligible to receive while LTD benefits are payable
- Earnings from work activity while you are disabled, plus the earnings you could receive if you worked as much as your disability allows
- Amounts due from or on behalf of a third party because of your disability, whether by judgment, settlement or other method
- Any amount you receive by compromise, settlement or other method as a result of a claim for any of the above

Benefit Calculation

Example The LTD benefit amount is determined by multiplying your insured predisability earnings by the specified benefit percentage. This amount is then reduced by deductible income. In the example below, the LTD benefit amount is 50 percent of insured predisability earnings. If your monthly earnings before becoming disabled were \$4,500, and you now receive a monthly Social Security disability benefit of \$1,000 and a monthly retirement benefit of \$600, your monthly LTD benefit would be calculated as follows:

Insured predisability earnings	\$4,500
LTD benefit percentage	X 50%
	\$2,250
Less Social Security disability benefit	-\$1,000
Less retirement benefit	-\$600
Amount of LTD benefit	\$650
