This document is an outline of the coverage proposed by the carrier(s), based on information provided by your company. It does not include all of the terms, coverage, exclusions, limitations, and conditions of the actual contract language. The policies and contracts themselves must be read for those details. Policy forms for your reference will be made available upon request.

The intent of this document is to provide you with general information regarding the status of, and/or potential concerns related to, your current employee benefits environment. It does not necessarily fully address all of your specific issues. It should not be construed as, nor is it intended to provide, legal advice. Questions regarding specific issues should be addressed by your general counsel or an attorney who specializes in this practice area.

WELCOME

Welcome to the City of Boise! As an employer, the city prides itself on providing you with a number of benefits to help you succeed in your role. This not only includes great health and retirement benefits, but also a culture that promotes professional growth, recognition, worklife balance and being paid an equitable wage.

This is called a Total Rewards package, which includes Benefits, Compensation, Worklife, Career Development and Rewards & Recognition. We understand that as a new employee this information is a lot to take in all at once, which is why we created this document. It gives you the opportunity to refer back to any of these pieces as they come up throughout your employment with us.

We will walk through the city's Vision, Mission, and Values, how your supervisor and you will work on your professional development, how pay is determined at the city and finally provide details of your benefits package.

PAY PHILOSOPHY + STRATEGY

In alignment with the city's vision, mission and values, our pay philosophy is based on a set of principles designed to be attractive and competitive with the market, responsible to stakeholders and meaningful for employees.

HOW PAY IS DETERMINED

 <p>MARKET DATA</p> <p>Professional market data from large, competitive public and private employers, in the Treasure Valley and across the western United States.</p>	 <p>DUTIES + RESPONSIBILITIES</p> <p>Jobs are evaluated by matching essential functions of the role - not job titles.</p>	 <p>INTERNAL EQUITY</p> <p>Total Rewards looks at internal equity for each job family across the organization, not just within a department or work group.</p>	 <p>PERFORMANCE PAY</p> <p>When budgets allow our organization takes time to recognize outstanding performance. Performance pay is a comprehensive approach that evaluates not only what you do, but how you do it.</p>
--	---	---	---

LIVING WAGE!

In 2012 the city implemented a living wage pay philosophy for our current non-temporary employees regularly working 20-hours or more per week. A living wage is a wage that provides a household with economic self-sufficiency, allowing them to meet their basic needs without government subsidy. To determine the living wage, the city evaluates expenses for basic necessities, such as food, housing, utilities, transportation, health care, childcare, clothing, and other personal items, savings, and state and federal taxes.

ELIGIBILITY

You and your dependents are eligible for City of Boise benefits if you work 20 hours or more per week in a regular position. These benefits will become effective on the first of the month following hire.

Eligible dependents include your spouse, children under age 26, or disabled dependents of any age. Elections made now will remain until the next open enrollment, typically November of each year, unless you or your family members experience a qualifying event. If you experience a qualifying event, you must contact your Total Rewards team within 30 days.

If you become ineligible for benefits due to a change in work hours or through separation of employment, benefits coverage will end on the last day of the month during which that event takes place.

ENROLLING AS A NEW HIRE

You'll participate in the City of Boise's orientation program, "Culture Camp" generally within the first two weeks of your first day of work. In Culture Camp, you will receive your benefit enrollment information. You will have 15 days from your date of hire to complete your enrollment and return your required forms to the Total Rewards team. Your medical, dental and vision benefits will become effective on the first of the month following hire.

For example, if you were hired on February 10, your benefits would become effective on March 1.

MAKING CHANGES TO YOUR ENROLLMENT THROUGHOUT THE YEAR

You can make certain benefit changes throughout the plan year if something big happens, such as getting married, divorced, having a baby, or dependents losing/gaining coverage. These are examples of "qualified" changes under IRS rules. You must provide the required documentation, such as a marriage certificate, divorce decree, etc. within 30 days of the event. If the request is not completed within 30 days of the event, you will have to wait until the next annual open enrollment period.

If you have a question about whether or not your life event is considered qualified, please contact the Total Rewards team.

INSURANCE PLAN TERMINOLOGY 101

MONTHLY PLAN COSTS

The monthly amount that you must pay in order to have insurance coverage.

DEDUCTIBLE

The annual amount of money that you must pay out of pocket for medical expenses before your insurance kicks in and starts to make payments.

COPAYMENT

A flat fee that you must pay toward the cost of your medical visits, your insurance provider pays the remaining balance. For example, the Blue Cross Plan requires a \$20 copay for an in-network physician office visit while the SLHP plan has no copay to see your primary care physician.

COINSURANCE

The percentage that you must pay to share responsibility for your medical claims after you

meet your annual deductible. For example: If you are on the Blue Cross Plan and see an in-network physician for Maternity Services, our plan covers 80% of the cost after you've met your deductible until you reach your out-of-pocket max.

OUT-OF-POCKET MAX

Once you have paid your deductible, copayments and coinsurance for care and services, the plan pays 100% of costs of covered benefits.

MEDICAL BENEFITS

ADMINISTERED BY BLUE CROSS OF IDAHO AND ST. LUKE'S HEALTH PARTNERS

Comprehensive and preventive healthcare coverage is important in protecting you and your family from the financial risks of unexpected illness and injury. A little prevention can go a long way— especially in healthcare. Routine exams and regular preventive care provide an inexpensive review of your health.

The City of Boise offers 3 medical plans for you to choose from, 2 Preferred Provider Organization (PPO) networks and 1 Coordinated Care Network (CCN). With the PPO, you may choose any provider that accepts Blue Cross. On the other hand, the CCN is specific to St. Luke's Health Partners (SLHP) which consists of providers at St. Luke's, Primary Health, Saltzer Group and many other independent doctors. To see if your provider is in the SLHP network, search directory.stlukeshealthpartners.org

WHAT'S THE DIFFERENCE BETWEEN THE BLUE CROSS PLAN AND ST. LUKE'S HEALTH PARTNERS?

St. Luke's is a valued based care program, meaning your provider is reimbursed based on quality of care and patient outcomes. On this plan, the provider has a vested interest in making you better!

Blue Cross remains a fee for service network, meaning your provider is reimbursed only on services rendered.

Check to see if your provider is in the
St. Luke's Health Partners network here:
Directory.StLukesHealthPartners.org

LIFE AND ACCIDENTAL DEATH INSURANCE PLANS

LIFE AND ACCIDENTAL DEATH & DISMEMBERMENT (AD&D) INSURANCE

INSURED BY STANDARD INSURANCE

Life insurance provides financial security for the people who depend on you. Your beneficiaries will receive a lump-sum payment if you die while employed by the City of Boise. The city provides Basic Life Insurance, Accidental Death & Dismemberment, as well as Long Term Disability at no cost to you if you are a benefit eligible employee.

LIFE AND ACCIDENTAL DEATH & DISMEMBERMENT INSURANCE

EMPLOYEE BASIC LIFE AND AD&D INSURANCE: \$50,000

Additional Life and Disability Insurances can be elected at your discretion.

If you wait to enroll, you will have to go through the evidence of insurability process that ensures you are in good health before benefits are issued.

BASIC TERM LIFE

The city increased Basic Life and AD&D to \$50,000 for all our non-temporary general employees working at least 20 hours per week. Premiums are paid by the city!

BASIC DEPENDENT TERM LIFE

The city also increased the Basic Dependent Life. A spouse of a general employee is now covered at \$5,000 and children at \$2,500 at no cost to the employee.

OPTIONAL DEPENDENT TERM LIFE

Employees may elect to purchase Optional Dependent Term Life Insurance equal to one of the following levels.

- A spouse may be covered up to any multiple of \$5,000 to a maximum amount of \$250,000 not to exceed 50% of the amount of optional term life purchased by the employee.
- New employees or employees covering a new spouse may purchase up to \$20,000 without having to complete a Medical History Statement within 30-days of hire or marriage.
- Children may be covered at an additional \$5,000 or \$10,000.

Employees may not purchase optional dependent term life without purchasing it on themselves.

Current employees wishing to buy or increase optional life insurance can contact the Payroll and Benefits team at 208-972-8090 or payrollandbenefits@cityofboise.org for more information.

OPTIONAL ACCIDENTAL DEATH & DISMEMBERMENT (AD&D) INSURANCE

Employees may elect to purchase Optional AD&D in \$10,000 increments to a maximum of \$500,000. Employees may not purchase Optional Dependent AD&D without purchasing AD&D on themselves. The rate is \$0.023 per \$1,000 of benefit.

VOLUNTARY LIFE INSURANCE

INSURED BY STANDARD INSURANCE

You can purchase additional life insurance for you, your spouse and your children. You pay the cost of coverage with after-tax dollars, but you can do so with convenient payroll deductions.

If you purchase life insurance in addition to the company-provided coverage, you may also purchase life insurance for your dependents. You are guaranteed coverage as a new hire (up to two times your salary with a maximum of \$300,000, and up to \$20,000 for your spouse) without answering medical questions if you enroll when you are first eligible.

EMPLOYEE — Up to eight times your salary; \$500,000 maximum

SPOUSE — Up to \$250,000 in increments of \$5,000

CHILDREN BIRTH TO 26 YEARS — \$5,000 or \$10,000

VOLUNTARY LONG-TERM DISABILITY INSURANCE

ADMINISTERED BY STANDARD INSURANCE

Meeting your basic living expenses can be a real challenge if you become disabled. Your options may be limited to personal savings, spousal income and possibly Social Security. Disability insurance provides protection for your most valuable asset—your ability to earn an income. The City of Boise offers the option for employees to purchase additional Long-Term Disability insurance (LTD) coverage.

LTD coverage provides income when you have been disabled for 90 days or more. Your benefit is offered to you for free for the first 40%, with an option to add coverage from 50 to 66 2/3% of your monthly earnings, up to \$4,500 per month. This amount may be reduced by other deductible sources of income or disability earnings. You are guaranteed coverage if you enroll as a new hire.

VOLUNTARY DECREASING TERM LIFE INSURANCE— IDAHO NCPERS PLAN

ADMINISTERED BY MEMBER BENEFITS

As an eligible PERSI participant, you may also enroll in a voluntary term life insurance program, the Idaho NCPERS Plan. You may enroll at the time you begin working for the City of Boise or during a special enrollment period, sponsored by the plan. You will receive separate enrollment information about this plan during New Employee Orientation or during the annual NCPERS Open Enrollment period November 1-15 of each year.

FLEXIBLE SPENDING ACCOUNTS (FSA)

ADMINISTERED BY PEAK1 ADMINISTRATION

You can save money on your healthcare and/or dependent care expenses with an FSA. You set aside funds each pay period on a pretax basis and use them tax-free for qualified expenses. You pay no federal income or Social Security taxes on your contributions to an FSA. (That's where the savings comes in.) Your FSA contributions are deducted from your paycheck before taxes are withheld, so you save on income taxes and have more disposable income.

HEALTHCARE SPENDING LIMIT

\$3,050 (SUBJECT TO CHANGE EACH YEAR)

DEPENDENT CARE SPENDING LIMIT

\$5,000

Peak1 Administration is the administrator of two individual Flexible Spending Accounts— one for healthcare expenses and one for dependent childcare and elder care expenses. You can enroll in one or both FSAs. You use each account separately, but they work similarly.

HERE'S HOW AN FSA WORKS

1. You decide the annual amount you want to contribute to either or both FSAs based on your expected healthcare and/or dependent childcare/elder care expenses.
2. Your contributions are deducted from each paycheck before income and Social Security taxes, and deposited into your FSA.
3. You can pay with the healthcare FSA debit card for eligible healthcare expenses. Your full FSA election is available immediately. For dependent care, you pay for eligible expenses when incurred, and then submit a reimbursement claim form or file the claim online. Your full FSA election is available immediately.
4. You are reimbursed from your FSA. So, you actually pay your expenses with tax-free dollars.
5. If you still have a balance in your account at the end of the plan year, a minimum of \$25 and maximum of \$610, will be rolled over into the next plan year on April 1st.

You also have the ability to use Amazon and the FSA store.

For both your Healthcare FSA and Dependent Care FSA, you can setup direct deposit so your reimbursement for claims gets to you faster.

HRA VEBA

A Post Employment Health Plan (or VEBA) is a 501(c)9 plan under Internal Revenue Code that provides each eligible member with an individual account to pay health/dental insurance premiums and/or unreimbursed medical expenses after separation of employment with the City of Boise. These accounts are funded by the city and it is the city's intention to provide a target benefit. Employees who are eligible for this benefit include all non-contract, regular employees who are regularly scheduled to work twenty (20) hours or more per week.

HOW IS VEBA FUNDED?

Based on an eligible employee's status on the last day of the last pay period in December:

1. An employer contribution in the amount of 0.25% of the employee's annual base salary will be made in January.
2. Eligible employees shall have accrued sick leave in excess of 600 hours converted into the employee's Post Employment Health Plan (VEBA) account. The conversion will be done on a 2:1 ratio at the employee's current regular hourly rate of pay. Conversion of hours shall occur at the end of the calendar year and shall be based upon the balances on the last day of the last pay period.
3. When an employee who is eligible for this benefit retires, all accrued sick leave hours will be converted at a 4:1 ratio at the retiree's current regular hourly rate of pay. Vacation, and for non-exempt employees their compensatory time, will also be converted into the VEBA at retirement if the current Minimum Funding Standard is not met. Eligible employees, who separate from the City of Boise prior to retirement, will have no further contributions made by the city.

MINIMUM FUNDING STANDARDS

The target benefit, or Minimum Funding Standard (MFS), represents the amount of funds necessary to pay for fifteen (15) years of single person Medicare supplement premiums after subtraction of the City's \$50 per month contribution toward the premium. The premium amounts for the city-provided retiree Medicare supplement premium will be used to create the minimum funding standard calculation. Please see next page schedule for MFS amount by year.

The Minimum Funding Standard shall be updated periodically.

The assumptions used to calculate the target benefit are as follows:

1. Fifteen (15) years of single person Medicare supplement premiums.
2. The premium used is the amount of the City of Boise’s retiree Medicare supplement plan minus the \$50 per month contributed by the city.
3. Medical premium increases are estimated at 6.5% per year.
4. VEBA investment earnings are estimated at 8% per year.

MINIMUM FUNDING STANDARDS	
YEAR OF RETIREMENT	AMOUNT
2023	\$108,837
2024	\$115,912
2025	\$123,447
2026	\$131,471
2027	\$140,017
2028	\$149,118

WHAT HAPPENS WHEN I LEAVE THE ORGANIZATION

Whether you are leaving the organization through resignation, termination, layoff, or retirement you are able to access the funds in your VEBA account. In order to request reimbursement for health/dental insurance premiums and/or unreimbursed medical expenses after separation of employment with the City of Boise, register or log onto www.hraveba.org, email payrollandbenefits@cityofboise.org or call 208.972.8090 to obtain the appropriate form.

PERSI

PERSI BASE PLAN

PERSI is a pension plan, designed to provide long-term retirement benefits when you choose a career in public service. The city makes sizable contributions on your behalf. These are combined with your pretax contributions to provide a valuable source of future income. Participation in the PERSI Base Plan is mandatory. You are fully vested in the Base Plan after 60 months of credited service.

PERSI offers three types of retirement:

- Service retirement
- Early retirement (including the rule of 80/90, which means you may receive an unreduced retirement allowance if your years of credited service, plus your age equal 90 (general members) or 80 (public safety)).
- Disability retirement

YOUR PERSI PLAN BENEFITS CONTRIBUTIONS		
	CITY CONTRIBUTIONS	EMPLOYEE CONTRIBUTIONS
GENERAL MEMBERS	11.18% of annual salary	6.71% of annual salary

DEFERRED COMPENSATION PLANS

PERSI CHOICE PLAN 401(K)

Participation in the Choice Plan is totally voluntary, but you must be eligible for the benefits in order to participate. With the Choice Plan 401(k), you set aside a percentage of your income on a pretax basis. You can invest those contributions in a variety of investment options, although your funds will default into the PERSI Total Return Fund if you do not actively invest in other funds. You can also roll money over from another eligible retirement savings plan into the Choice Plan 401(k).

457(B) DEFERRED COMPENSATION ACCOUNT - PRE-TAX AND ROTH

Saving for retirement is important. That’s why the city offers a 457(b) plan in addition to PERSI and the 401(k). Employees can contribute income on a per paycheck basis into the 457(b) account both on a pre-tax or after-tax (Roth) basis.

The maximum amount you are allowed to contribute to your 457 plan is based on taxable compensation as defined by the Internal Revenue Code (IRC). The current maximum contribution

amount is 100% of your compensation less any mandatory before tax contributions to a governmental pension plan per year or \$22,500 whichever is less. Employees age 50 or over can contribute an additional \$7,500 per year.

You can go to www.lincolnfinancial.com to begin a new enrollment, update your beneficiary or change your salary deferral amount, either by percentage or a flat dollar amount.

PERSONAL ACCOUNT LOANS

Loans are available to all participating employees. Please review the Managing Your Account Guide (PDF) to answer questions you may have. Although it is not encouraged, you do have access to the money in your Choice Plan 401(k) through loans or withdrawals; you will pay taxes on the amount (if under age 59½) in addition to regular income taxes. You may also pay a 10% early-withdrawal penalty.

EMPLOYER MATCHING

The city will match up to 2% of your contributions in either the 457(b) pretax (not roth) OR the 401(k). The employer match is paid up to a percentage of your base wages per pay period. Please see the fringe exhibit in the Employee Handbook for specific match information.

	401K PLAN	457(b) PLAN
CONTRIBUTION TYPES:	Pretax Only	Pretax and Roth
ANNUAL CONTRIBUTION LIMITS:	\$22,500 (Includes pretax only)	\$22,500 (Includes both pretax and Roth contributions)

3-YEAR PRE-RETIREMENT CATCH UP:	Not Allowed	Allowed. You can contribute up to twice the annual limit for the three years prior to normal retirement age.
VESTING/OWNERSHIP:	All contributions are fully (100%) vested	All contributions – both pretax and Roth – are fully (100%) vested
EARLY WITHDRAWAL PENALTY FOR PARTICIPANTS UNDER 59-1/2:	Plan allows withdrawals at age 55	No early withdrawal penalty

Participants can fully participate in both plans!

To maximize your retirement savings, you can contribute up to the annual IRS limit in both plans.

\$45,000 – The combined annual contribution limit for 401(k) plan and the 457(b) plan

\$60,000 – The combined annual contribution limit for the 401(k) plan and the 457(b) plan for participants who are age 50 or older.

PAID TIME OFF/LEAVES

PAID TIME OFF

When you need a few days away, the City of Boise understands. Whether you are taking time off to be with family and friends, or you're trying to beat an illness, sick time, vacation time and holidays are available so you can get paid while you're away. Or, if you don't need all of your sick time, you can save it to help you pay for health insurance when you stop working for the city.

HOLIDAYS

The City of Boise recognizes 11 paid holidays each year:

- New Year's Day
- Martin Luther King, Jr. Day
- Presidents' Day
- Memorial Day
- Juneteenth
- Independence Day
- Labor Day
- Veterans Day
- Thanksgiving Day
- Christmas Day
- Floating Holiday

SICK LEAVE POLICY

The city offers a sick leave policy separate from time off for vacation. The city's policy is designed to be there for you when you need it, but it also offers some rewards if you find you don't need to use the time off.

Eligible employees who have accrued sick leave in excess of 600 hours will have those hours converted into the employee's Post Employment Health Plan (VEBA) account. The conversion will be done on a 2:1 ratio at the employee's current regular hourly rate of pay each January. Conversion of hours shall occur at the end of the calendar year and shall be based upon the balances on the last day of the last pay period.

Sick leave is accrued at the end of the pay period and the number of hours an employee accrues is based on the employee's standard hours of work. All sick leave at retirement is converted at a 4:1 ratio.

MINIMUM FUNDING STANDARDS	
STANDARD HOURS	HOURS PER WEEK ACCRUED
35 OR MORE	96 hours
28 TO 34	72 hours
19 TO 28	48 hours

PARENTAL LEAVE

The city recognizes that it is in a unique position to be a model for other government organizations. As such, in an effort to provide an opportunity for parents to bond and welcome a new child to their family, the city offers paid parental leave.

Parental leave is available to regular, full and part-time employees, regardless of gender.

WHAT IS PARENTAL LEAVE?

Parental Leave refers to paid time off following the birth of an employee's natural child or the legal placement of a child with an employee for the purposes of adoption. The maximum amount of paid parental leave is six (6) work weeks.

Parental Leave shall only be taken in a single, continuous block of time; thus incremental leave is not permitted. This means employees are only eligible for parental leave one time in the 12 months following the birth/adoption date. The employee's actual workweek counts as a week of leave regardless of the number of hours worked, or whether the employee is full or part-time.

ELIGIBILITY AND USE

Employees become eligible for parental leave the first day of the month following 60 days of regular employment. The leave may be used only for the birth of the employee's natural child or adoption of a child (up to the age of 18 years old) in order to promote bonding with the child.

When an employee is eligible for Family Medical Leave (FML), paid leave under this program will run concurrently with FML (please refer to the Family and Medical Leave Regulation for details). Employees shall designate, at the time they request FML, when parental leave will be used during the FML period. FML eligibility does not dictate parental leave eligibility.

VACATION LEAVE

Eligibility for paid vacation leave begins as the leave is accrued in the first pay period of employment.

RATE AT WHICH YOUR VACATION TIME BUILDS

The amount of vacation time you accrue is tied to your hours worked with the City.

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM(CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a state listed on the following pages, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are not currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 877.KIDS.NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 866.444.EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2020. Contact your state for more information on eligibility.
