

DENTAL COVERAGE

DELTA DENTAL (BOISE MUNICIPAL HEALTH CARE TRUST)

Delta Dental Plan works like the medical plan PPO. You may visit any licensed dentist; however, you will get the maximum benefit if you visit an in-network provider. When you visit an out-of-network provider, you may pay a higher deductible and/ or coinsurance. Delta Dental now offers the Health through Oral Wellness (HOW) program. By having your dentist perform a simple risk assessment, you may have access to additional preventive and health-sustaining benefits.
