Aflac supplemental benefits

Our product portfolio is as broad as your needs, with individual insurance policies that help cover the expected – and unexpected – that's sure to come life's way.

Accident: Accidents happen. When a covered accident happens to you, our accident insurance policy pays you cash benefits, unless assigned otherwise, to help with the unexpected medical and everyday expenses that begin to add up almost immediately.

Critical Illness (Specified Health Event): An Aflac specified health event insurance policy is designed to help with the costs of treatment if you experience a covered health event.

Hospital Confinement Indemnity: Hospital stays are expensive. An Aflac hospital confinement indemnity insurance policy can help ease the financial burden of hospital stays by providing cash benefits.

Short-Term Disability: How would you pay your bills if you're disabled and can't work? An Aflac short-term disability insurance policy can help provide you with a source of income while you concentrate on getting better.

Cancer/Specified-Disease: Aflac's cancer/specified-disease insurance policy can help you and your family better cope financially if a positive diagnosis of cancer occurs.

Whole or Term Life: With Aflac's whole life or term life insurance, you can rest easy knowing that your family can have financial security when they need it most.

Vision: Don't take your vision for granted. An Aflac vision insurance policy can help with the costs of vision treatment.
